

HIGHER HOTEL INSTITUTE CYPRUS

Module Description 2019/20

Module Title : Hospitality and Tourism Law

Module Code : CAMM 362

Programme of Study/Year of Study : Culinary Arts / Year 3

Group : CA III

Semester : Spring

Number of Hours Taught : 2 periods per week

ECTS : 3

Instructor: Stylianos C. Avgousti

Office Hours: Wednesday: 15:00 – 15:30

Office Number:

Office Tel:

96458144

email: avgousti.lawof@gmail.com

Pre-requisite(s) : Previous knowledge of the subject is not required.

Module Rationale

The module aims to introduce students to the basic legal aspects regarding restaurants and other catering establishments as well as the implementation of relevant laws in the field of the hospitality industry.

Aims

Students are exposed to the laws and regulations governing guest relationships, contracts, employee relations, civil rights, safety and product liability, as well as guest/tourist rights. Through this module students learn how to assess the implications of the law in their line of business, enabling them to secure law abiding operations, avoid and/or deal effectively with possible legal risks.

Intended Learning Outcomes

On the successful completion of this module, the students should be in a position to:

1. Obtain access to the legislation relating to hotels as well as the laws concerning hospitality and catering establishments.
2. Obtain deep insight into significant relevant legislation applied in the hospitality and tourism industry.
3. Gain better understanding of European legislation directly affecting the hospitality and tourist industry.
4. Gain expert knowledge of the laws and rules governing the operation of catering establishments and those producing food and drinks, as well as the laws and legislations relating to catering establishment facilities.

5. Familiarize themselves with the necessary provisions of the laws above.
6. Implement all laws above

Have access to the legislation relating to industrial relations.

Delivery Methods:

Lectures, discussions, projects, presentations, tests, theoretical and problem questions in class and at home.

Assessment:

In class activities	30%
Assignment	20%
Test	20%
Final Examination	30%

Module Requirements

See student manual
